Author: Lady Coruja

Gamer gals my sisters in
a virtual world you are
my crew, my family, when
I am outside of my usual
reality. Always there for
me somehow, lifting my
spirits when I feel down,
bringing me on a new
adventure or just
chatting in town, my
gamer gals I adore you
so, just so you know, I
am also there for you
when you need to let
go and get on with the
show. Gamer gals you
bring love and light to
many a dark night, Far
and below, you have
beauty and soul!
